

Thank you for your interest in being a Featured Business on Sprinkled Nest. Below are questions for you to answer about you and your business. Please answer them with as much detail as you would like, and don't be afraid to let your personality show! A blog is about connecting with people. Have fun with it!

1. What is the name of your company?
2. What is your position within the company?
3. How long have you/your company been in business?
4. What is your company's specialty? (such as custom homes, kitchen design, mortgage lending, etc)
5. Can you give us an example of how the process works? (what would be the general steps someone would go through when coming into your business/contacting you)
6. Why do you love about doing what you do? Can you give an example?
7. Tell us a little bit about you?
8. What locations do you/your company service?
9. What is your/business contact information? (phone numbers, addresses, website, facebook, twitter, pinterest, Houzz - anywhere you can be found online)

Please attach up to three photos of your work, resized at 720x540 pixels for horizontal photos. For vertical photos, the width needs to be 720 pixels, height can vary. The width of 720 pixels is the optimal size for Sprinkled Nest, and will display your work beautifully online.

In addition, I would love to have a photo of you doing your job. A fun photo of you in the workplace would be great - something for readers to connect with. Please attach photo in the same pixel size as above.

Thank you again for working with Sprinkled Nest! Simply email your responses to the questions, with pictures, back to me at [SuzanneTateRealEstate@gmail.com](mailto:SuzanneTateRealEstate@gmail.com). I will be in contact with you soon and will let you know when your feature is scheduled. Links will be sent to you as well for you to use in your advertising.
